

**Day 1, 2 & 3, 29TH Nov - 1st Dec
Hall F**

Unmoderated e-Posters

Female and Functional Urology

S no.	Title	Submission
1.	Urinary Bladder Endometriosis: An Atypical clinical Presentation in a 35-Year-Old Female	Dr Ishwar Charan

Oncology

S no.	Title	Submission
2	Leiomyoma of the urinary bladder in a male patient: A case report	Dr Chirag Aghara
3	Silent Menace - Case report on Intra-abdominal Seminoma with bowel metastasis in unilateral undescended testes	Dr Abhishek Saini
4	A study on serum micronutrient levels in men with prostate carcinoma	Dr Nitish Pareek
5	The role of apparent diffusion coefficient quantification in characterization of renal mass by 3 Tesla MRI	Dr Rajeev Kumar
6	Pazopanib-induced hand-foot syndrome	Dr Abhishek Bawa
7	Urethrovaginal fistula secondary to female urethral cancer A case report	Dr Aamir Mushtaq
8	Tumors in Undescended Testis in Two Cases	Dr Ashok Kumar
9	Primary renal synovial sarcoma case report	Dr Somit Kumar
10	Right Partial Nephrectomy in a 24-Year-Old Female with RCC and Tuberous Sclerosis	Dr Abdul Basit
11	Seminoma of unilateral undescended intra-abdominal testis: A case report	Dr Neeraj Mane
12	Survival and recurrence after post-chemotherapy retroperitoneal lymph node dissection in nonseminomatous germ cell tumors at a tertiary center: A retrospective, cohort study	Dr Pirzada Faisal Masood
13	Evaluation of side effect profile, quality of life, and efficacy of sequential intravesical gemcitabine plus docetaxel versus BCG for NMIBC	Dr Amber Gupta
14	A series of 10 cases of adrenal masses	Dr Ashok Kumar
15	Radical cystectomy with ileal conduit – our experience in 139 patients over 5 years	Dr Abhishek bawa
16	Use of intravesical gemcitabine in non-muscle invasive bladder cancer a retrospective analysis of 124 cases	Dr Ajay Gandhi
17	Open Retrograde Radical Cystectomy a viable surgical solution in patients with significant comorbidities	Dr Saundarya Kumar Verma
18	Unravelling tumour characteristics and complications in Nephron Sparing Surgery (open and laparoscopic) SKIMS experience	Dr Tufeel Ahmad Khan
19	Role of PDL-1 as prognostic marker in renal cell carcinoma	Dr Nitin Gangwar
20	A Retrospective Study of Bladder Wall Tumor Contact Length and Its Association with Muscle Invasiveness in VIRADS 2-3 Lesions	Dr Rohan Shankar
21	Lymphovascular Invasion as a Key Predictor of Early Recurrence and Progression in T1 Bladder Cancer	Dr Surendra kumar Prajapati
22	Skeletal-Related Events in Renal Cell Carcinoma Prediction With Alkaline Phosphatase (ALP), Creactive Protein (CRP), Haemoglobin (Hb) and Erythrocyte Sedimentation Rate (ESR) (A.C.H.E.) Score for Risk Stratification	Dr Madan Gopal Bhardwaj
23	Robotic partial nephrectomy in small renal mass and its trifecta and pentafactaoutcomes ,a single centre experience	Dr Sumit Bhaskar
24	Tumors in Undescended Testis in Two Cases	Dr Ashok Kumar
25	Pazopanib-induced hand-foot syndrome	Dr Abhishek Bawa
26	Primary renal synovial sarcoma case report	Dr Somit Kumar
27	Urethrovaginal fistula secondary to female urethral cancer A case report	Dr Aamir Mushtaq
28	Urinary Bladder Endometriosis An Atypical clinical Presentation in a 35-Year-Old Female	Dr Ishwar Charan
29	Open Right Partial Nephrectomy in a 24-Year-Old Female with RCC and Tuberous Sclerosis	Dr Abdul Basit

Organ Transplant		
S no.	Title	Submission
30	Comparison of laparoscopic versus open live donor nephrectomy in renal transplantation: A prospective overview of outcome and surgical complications	Dr Sudeep Singh
31	A case of a living-related kidney transplantation after ex-vivo repair of the donor renal artery aneurysm	Dr Virendra Singh
32	Management of Transplant Renal Artery Pseudoaneurysm	Dr Virendra Singh
33	Right renal vein elongation with the inferior vena cava for cadaveric kidney transplants	Dr Virendra Singh
34	Study of Arteriovenous Fistula Cases and post op complications in a tertiary care centre	Dr Mohd Shaban Kamal
35	Kidney Transplantation Following Ex Vivo Tumor Excision: Managing Small Renal Masses in Living Donor Graft	Dr Ankit choyal
Pediatric Urology		
S no.	Title	Submission
36	Bilateral ureteral ectasia in a 8 year old child – A case report	Dr Tushar Aggarwal
37	Management, and outcome of posterior urethral valves in a tertiary care hospital	Dr Mohd Shaban Kamal
38	Primary obstructive megaureter diagnosis and management a tertiary care centre experience	Dr Mohd Shaban Kamal
39	Chordee correction in hypospadias - A series of 235 cases	Dr Mukesh Chandra Arya
40	Preputioplasty in Hypospadias- a series of 58 cases	Dr Aayush Mittal
41	Tunica Vaginalis Flap interposition in urethrocutaneous fistula repair - our experience	Dr Somit Kumar
Reconstructive Urology		
S no.	Title	Submission
42	Plication in Peyronie's disease - our experience	Dr Pradyot Shahi
43	An observational study to evaluate the efficacy of Tadalafil in outcomes of primary end to end urethroplasty following pelvic fracture urethral injury	Dr Navdeep Garg
44	Post TURP - Pan urethral stricture and small capacity bladder	Dr Aayush Mittal
45	Saxophone Penis; A Rare Deformity of the Male Genitalia	Dr Manjeet Kumar
46	Urethral duplication with five openings in anal canal: A novel case report	Dr Pirzada Faisal Masood
47	Robot Assisted Ureteroureterostomy in a 54 years old male patient who is known case of CKD, for a Type 1 RIGHT Retrocaval Ureter	DrID Charan
48	Robot assisted Vesicovaginal Fistula closure in a 32-Year-Old Female which Developed After Postpartum Hemorrhage (PPH) Hysterectomy	Dr Abdul Basit
49	Diagnostic Challenge and Surgical Management of Retrocaval Ureter:A Case Series	Dr Vijaypal Chaudhary
50	Ureteral avulsion at two points during ureteroscopic stone lithotripsy	Dr Pirzada Faisal Masood
51	Vestigial to wonders- Appendicular interposition in complex ureteric strictures	Dr Shailesh Chandra Sahay
52	Perineal urethrostomy A single stage viable option for complex anterior urethral strictures	Dr Pradyot Shahi
53	Muscle and nerve sparing bulbar urethroplasty: 183 cases	Dr Aayush Mittal
54	Local tissue flaps in perineal reconstructive Urology	Dr Hardev S Bhatyal
55	A Retrospective Study Comparing TIP Urethroplasty Outcomes Using Bucks Fascia Repair and Dartos Flap as Intermediate Layers	Dr Rohan Shankar
Stones		
S no.	Title	Submission
56	Evaluation of the efficacy of preoperative dual energy CT scan for determining urinary stone composition; A cross sectional study at tertiary care center	Dr Lokender Yadav
57	A Twist in the Tale Urethral Calculus Presenting as Abdominal Emergency	Dr Suresh Goyal
58	Ureteral avulsion at two points during ureteroscopic stone lithotripsy	Dr Faisal Masood Peerzada
59	A prospective observational study to assess th factors affecting the success of DJ stenting in patients with obstructing ureteric calculi	Dr Somdutt Sharma
60	Forgotten double J stent: Experience of a tertiary care center	Dr Devendrakumar S Malaviya
61	Role of intraoperative stone culture in patients undergoing percutaneous nephrolithotomy to predict post operative infectious complications	Dr Bharath Kumar Nagarajan
62	Comparison of Fesoterodine with Tamsulosin in management of stent related symptoms	DrAkil Latief

63	Urethral calculi presentation, evaluation and management: A series of 416 cases	Dr Ajay Gandhi
64	Percutaneous nephrolithotomy for staghorn renal calculus – A tertiary care center study	Dr Mohd Shaban Kamal
65	Insights into surgical approach: Laparoscopic pyelolithotomy vs percutaneous nephrolithotomy for managing staghorn kidney stones	Dr Sahil Data
66	Factors predicting delayed bleeding after percutaneous nephrolithotomy requiring intervention- A retrospective analysis	Dr Waseem Ashraf
67	A comparative study of midstream urine culture and stone culture in patients undergoing ureteroscopic stone removal	Dr Anuj Kumar
68	Use of lidocaine jelly for prevention of inadvertent retrograde stone migration during pneumatic lithotripsy of ureteral stones	Dr Anuj Kumar

UTI and Infections

S no.	Title	Submission
69	Phimosis as cause of Pyrexia of Unknown origin with step-to-step guide to Stapler circumcision	Dr Vaibhav Vishal
70	A Rare Case of Penile Mycotic Gangrene in a Diabetic Child: Urgency for Early Intervention	Dr Sachin Pandey
71	Recent surge of mumps orchitis - causes and preventive measures	Dr Pradyot Shahi
72	Fourniers gangrene- A retrospective study of 80 cases	Dr Abhishek Bawa
73	A comparison of pre-operative urine culture with intra-operative stone culture a prospective observational study	Dr Virendra Singh

Others

S no.	Title	Submission
74	Advancements in Digital Health Interventions in Urology - A Comprehensive Review of the Indian Landscape	Dr Krunal Vishavadia
75	Case report of Zinner syndrome, which is a rare disease results from a abnormal development of mesonephric (wolffian duct)	Dr Chetan Sharma
76	Cystitis Cystica, wolf in sheep disguise; a case series	Dr Manjeet Kumar
77	Observational Study of Traumatic Renal Injury & its Management& Outcome	Dr Prashasya Goyal
78	Assessment of Risk Factors and Erectile Dysfunction Associated with Peyronies Disease	Dr Dhruven Ponkiya
79	Rare case report of Zinner syndrome	Dr Sulabh Deswal
80	Effectiveness of Selective Renal Artery Embolization in Controlling Postprocedural Renal Hemorrhage Insights from a Tertiary Care Center	Dr Younis Mushtaq
81	Obturator nerve block during TURBT Our experience	Dr Akash Sharma
82	Bladder dysfunction in spinal cord injury-Is UDS must	Dr Mudasar Ahmad Tantray
83	Evaluation of Role of Urodynamics Studies in the Diagnosis and Management of Lower Urinary Tract Symptoms in Young Adult Males	Dr Abhishek Yadav
84	Retrospective analysis of incidence and management of iatrogenic urethral stricture	Dr Gaurav Varnwal
85	Urinary tract infections in patients undergoing invasive urodynamics study: A prospective observational study at a tertiary care center	Dr Anil Kumar
86	POPVESL scoring system efficacy in renal pseudoaneurysm management	Dr Sahil Data
87	Malpositioned DJ stent into colon through a nephrocolic fistula: A Rare case report	Dr Abhishek Chhabara
88	Prospective Study on the Efficacy of ESWL in Patients with Renal and Upper Ureteral Calculi A Tertiary Center Experience	Dr Sarvesh Yadav
89	The Correlation between Stress, Depression and Anxiety with Male Infertility A Case Control Study	Dr Abhishek Chhabara
